Dear sir

My son intends studying law and I want him to take a course in the University before taking up his work at Law.

Dear Dr. White:

In the absence of President Falconer I beg to acknowledge the receipt of your letter of the 14th inst. The course in the University taken by students proceeding into law is Political Science. I am sending you under separate cover a calendar and you will find the course outlined on pages 101-9. If on looking this over you desire further information I shall be glad to answer any questions.

Yours very truly,

President's Secretary.
